Dr. sc. Alen Žunić diplomirao je na Arhitektonskom fakultetu u Zagrebu (2013., *summa cum laude*) i magistrirao postdiplomski studij teorije i filozofije arhitekture na Harvard University i MIT-u (2015.). Po povratku u Zagreb doktorirao je na Arhitektonskom fakultetu (2016.). Trenutno radi na postdoktorskom istraživanju na ETH Zürich – Institut für Geschichte und Theorie der Architektur. Objavio je više od 250 radova, uglavnom o arhitekturi 20. i 21. stoljeća, među kojima i 12 autorskih i uredničkih knjiga. Dobitnik je međunarodne nagrade «Ranko Radović» za teorijski doprinos arhitekturi. *Utemeljio je Odjel za arhitekturu Matice hrvatske*. Gostujući je predavač na arhitektonskim fakultetima u Ljubljani i Zagrebu te filozofskim fakultetima u Beogradu i Zagrebu. Nagrađivan je na urbanističko-arhitektonskim natjecanjima za projekte škola, poslovnih zgrada, hotela,... i izlaže na strukovnim izložbama u zemlji (Zagrebački salon, Godišnja izložba ostvarenja hrvatskih arhitekata) te u inozemstvu.
